

The 54th Annual Tour of Kansas City consists of 2 Days of racing including a 5K Time Trial, the historic Cliff Drive Circuit Race, and the KC Crossroads Criterium. Hang out both Saturday and Sunday to see some great cycling action and take part in additional festival activities. Course maps, directions, updates, and details about the weekend’s events are available at www.TourofKC.com.

Omnium Details: The Tour of KC will run as a 2-Day (3 event) omnium. Points will be awarded to the top 35 finishers in each event according to the table on page 5. Pro 1/2 men and Pro 1/2/3 women’s fields will be competing for title of **Tour of Kansas City Champion**. Winners will receive a custom TKC championship trophy. All others will receive medals in addition their payout (if applicable).

Riders can earn **Bonus Prime Points** in the criterium and **Bonus KOM Points** in the circuit race in (2) specified laps (1 Bonus Prime Lap in all junior fields, Men 60+, Masters Women, 4/5 Women and 5 Men). The points go 4 riders deep, 1st 5 points, 2nd 3 points, 3rd 2 points, 4th 1 point. Bonus points earned in these races are added to omnium totals. Overall Competition race winner is determined by summing points won in each stage, in intermediate sprints, and the KOM then subtracting any point penalties.

The riders with the highest cumulative points at the end of the weekend will be the omnium winners. Standard USAC omnium scoring procedures will be used. In the event of a tie on total points, the tie will be broken in favor of the racer who has: (a) the most 1st place finishes, if still tied, the most 2nd place finishes, if still tied, the most 3rd place finishes or if still tied; (b) the highest placing in the Criterium. Riders competing in any event will earn points towards the omnium. Weekend payouts are awarded according to the payout schedule on page 5. In the event of small field sizes, payouts are limited to no more than 50% of the field.

Field Limits: Limits for the circuit race and crit are based on USAC regulations. The **time trial has a limited number of total spots** open and can be filled by riders in any category. We **highly recommend registering early** if you want a spot in the time trial.

Race Series: The 2017 TKC is part of the USAC Jr. National Road Development Race Series. Junior riders can earn spots at regional camps by placing in any race or the overall omnium. TKC is also part of the **Midwest Flyover Omnium Race Series**. Riders in Flyover categories earn points towards the series standings. The circuit race and criteriums are part of the **2017 KCA KBAR/KBAT Series**. Individual and team points will be awarded towards the KBAR/KBAT & Keen Wealth Cup Championships per the 2017 KCA KBAR/KBAT rules. 2016 KBAR Winners receive one free entry in this race.
